The January 10, 1953, Edition of the Youngstown, Ohio, Vindicator

The above publication reflects a letter to the Editor written by JOHN W. MARSHALL, Leetonia, Ohio. This article reflects in part the following statement by the subject concerning the JULIUS and ETHEL ROSENBERG case; and (1) Leading atomic scientist, including Dr. HAROLD UREY of ILL Chicago University, have many times emphasized that there are no atomic secrets unknown to any groups of scientists in any country. (2) The ROSENBERGs were convicted solely upon the unsupported evidence of a confessed plea of government blueprints, caught in his preparations to make a fast dollar by selling his stolen goods to the highest bidder. His evidence against the ROSENBERGs was flatly contradicted by the accused. (3) During the course of the trial, the government prosecutor, IRVING SAYPOL stated to the newspapers that he had a witness that would establish the guilt of the ROSENBERGs. New York newspapers gave great play to the prosecutor's statement, but the witness was never produced. In commenting on the incident, the court of appeals admitted later that if the defense had asked for it at the time, a new trial would have been granted. By a technicality the trial was denied when asked for. Does this look as though the ROSENBERGs were not denied "due process?" (4) EITHA GREENGLASS, wife of the thief who testified against the ROSENBERGs signed a confession as her husband's accomplice but was never brought to trial. Why? (5) The number of prominent people who denounced the trial, including ministers, rabbis, educators, scientists, and lawyers outnumbered about 100 to one the group of names you publish of those who agree that the trial was fair. The former group includes one of the world's greatest attorneys, Mr. D. N. PRITT, member of the Queen's Court in London.

Based on the above, the subject stated in his article that he did not wish to see innocent people suffer especially as such a severe penalty as death and believes that the ROSENBERGs are not only innocent but are the victims of a monstrous "frame-up".

DEMOGRAPHY During the course of another investigation conducted by the Federal Bureau of Investigation, DAVID GREENGLASS advised on June 15, 1950, that he was a brother of ETHEL ROSENBERG. On January 31, 1951, an indictment was returned by the United States Grand Jury, Southern District of New York, charging DAVID GREENGLASS with Conspiracy to Commit Espionage and on April 6, 1951, he was sentenced to a term of fifteen years in federal prison.

JULIUS and ETHEL ROSENBERG were convicted in Federal Court, Southern District of New York, on March 29, 1951, on charges of espionage and were sentenced to death on April 5, 1951. This sentence was upheld by the United States Circuit Court of Appeals on February 25, 1952. After various unsuccessful appeals, JULIUS and ETHEL ROSENBERG were executed on June 19, 1953.

NY 140-4036

will be mentioned hereinafter, advised on June 3, 1955, that the employee's sister, RUTH PRITZ GREENGLASS, was the wife of DAVID GREENGLASS, who was convicted of espionage.

XXI RESULTS OF INVESTIGATION

During the course of another investigation conducted by the Federal Bureau of Investigation, DAVID GREENGLASS on June 15, 1950, executed a Waiver of Search of his premises, Apartment 6, 265 Rivington Street, New York, New York, at which time the following items were located:

A letter postmarked March 22, 1943, addressed to Mrs. RUTH GREENGLASS, enclosing an invitation to attend a meeting of the Fourth Empire State Victory Convention, Young Communist League (YCL), to be held Friday, March 26th, at 7:30 P.M., at the Central Opera House, 67th Street and Third Avenue, New York City.

The YCL has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

A letter from Mrs. RUTH GREENGLASS to Corporal DAVE GREENGLASS, Aberdeen, Maryland, dated July 14, 1943, in which she states in part: "There is a new program afoot now. The YCL will disband and will form some sort of youth, anti-fascist win-the-war club on a national scale. I think this was suggested principally because many people shy away from our club because of 'Communist' in our club name. The Communists from among the Party will still try to recruit into the Party but there will be no YCL."

The Communist Party, United States of America, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

A letter dated September 19, 1943, from RUTH GREENGLASS to Technician S/c DAVE GREENGLASS, Fort Ord, California, in which she stated that during a discussion of current events with other individuals, whom she described as "all anti-Soviet, They started shooting questions at me

NY 140-4036

until I asked why I was being cross-examined." The letter further reflected in part that one of the individuals "piped up, 'as president of the YCL you should know the answer'."

A letter from Mrs. B. GREENGLASS dated February 13, 1944, addressed to RAYE GREENGLASS, APG, 186, Los Angeles, California, in which she stated "it seems that the Party is having a recruiting drive and I've been 'invited' to join. It's part of a plan. After we're in, as ex-YCLers who are now in the AYD (American Youth for Democracy), classes will be held to make us work better in the AYD. I said that I'd join but not until I got back from California. When I join I want to become active--not just to enroll, pay dues and then leave and send my dues in."

The AYD has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

A Certificate of the United Office and Professional Workers of America, dated March 1, 1945, certifying that RUTH GREENGLASS was a member of Local 1, New York City, with dues paid until March 1, 1945.

The "CIO News" issue of February 20, 1950, on page six, column one, contained an article reflecting that the Congress of Industrial Organizations (CIO) Executive Board had voted to expell the United Office and Professional Workers of America (UOPWA), from the CIO, effective March 1, 1950. The Board acted, according to the article, on a report filed by the trial committee appointed to hear the charges against the UOPWA. The committee found "the policies and activities of the UOPWA followed and continued to follow exactly, without deviation, the program of the Communist Party (CP)..... never in the history of the UOPWA has any policy ever been adopted which in any way runs counter to the policy of the CP or to the interests of the Soviet Union, as these interests are reflected in the program of the CP."

A form letter dated March 1, 1949, from Secretary, International Workers Order (IWO), Lodge 860, addressed to

NY 140-4036

RUTH GREENGLASS, indicating that she owed dues in the amount of sixty-nine cents for each of the months March, April, and May. *NY 140-4036*

The IWO has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

During the course of another investigation conducted by the Federal Bureau of Investigation, DAVID GREENGLASS advised on June 15, 1955, that he is a "left-winger." He stated he had voted for the American Labor Party (ALP) about two years after coming out of the army. He said he is of the opinion that capitalism is not the best possible system, and also that the system in Soviet Russia today is not the best possible system. He stated that the United States does not give the people as much as possible and that he believes in Socialistic measures. He advised he was a member of the YCL during Roosevelt's second term as president, and had joined when he was about sixteen years of age and remained a member for about two years. He said he understood the YCL was a training organization for the CP, but claimed he did not join the CP because he could not submit to Communist discipline.

DAVID GREENGLASS advised he was a member of the YCL at the Club Malraux, which was located in the neighborhood where he lived, and stated that his wife was a member of the Club Lincoln of the YCL while he was in the army. He believed his wife, RUTH GREENGLASS, joined the YCL to please him because of his "leftist leanings." He said he was sure she had not gone to meetings since the war and thinks she quit because she was having children and could not be active.

SUBJECT: "THE TIME OF THE ATOM SPIES"
PROPOSED BOOK BY JIM BISHOP
RESEARCH (CRIME RECORDS)

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 6-24/87 BY 3042 Jmt-D1c

ReBulet to New York dated 12/20/57.

86-1846

~~RUTH GREENGLASS~~ ^{NEE PRINTZ}, presently residing at 265 Rivington Street, NY, NY, was contacted on this date and was apprised of the possibility that JIM BISHOP might contact her for purpose of interview in connection with his proposed book, "The Time of the Atom Spies."

She was apprised of the background of JIM BISHOP and told that the Department of Justice and the FBI were cooperating with him within the limits of national security in connection with this book in order to get before the American people an authentic case history of the atom spies.

She was also informed that BISHOP is an author of excellent repute and has already written two books, "The Day Lincoln Died" and "The Day Christ Died."

Mrs. GREENGLASS, who presently uses the name of RUTH PRINCE (her maiden name was RUTH PRINTZ), stated that she would not be willing to receive JIM BISHOP for the purpose of interview at this time, in that she feels that any further publicity would only destroy what little she has been able to do for herself and her children since her husband's incarceration.

She stated that she had previously worked for LOUIS J. LEFKOWITZ, present Attorney General of the State of New York, for a period of approximately 1½ years. LEFKOWITZ knew of her true identity and continued her in his employ until such time as LEFKOWITZ came into the public eye in connection with his campaign for Attorney General of the State of New York. At that time LEFKOWITZ decided that it would not be in his best interests to continue GREENGLASS in his employ and dismissed her with 3 weeks notice.

Her present employer, EDWARD B. JOACHIM, an attorney at 29 Broadway, NYC, does not know of her true identity. She has been employed by him for 1½ years and feels that if he were to learn of her true identity, she would probably be dismissed from this position as well.

It was pointed out to Mrs. GREENGLASS, that if JIM BISHOP were to contact her, he probably would not disclose her true identity in his forthcoming book. Despite this, GREENGLASS stated that she would not care to be interviewed by him.

She stated that she has been in touch with Mr. BENNETT, Director of the Bureau of Prisons, the Parole Board, Mr. ROBERT MORRIS, Chief Counsel of the Internal Security Subcommittee, and many others seeking to have her husband, DAVID, paroled and all efforts to date, so far as she is concerned, seem to have failed. She feels that interview with BISHOP would only furnish more ammunition which would be "fired back at us."

She stated that her present sentiments are in the nature of a snap judgment and speculates that after due consideration, she might have a change of heart but cannot reasonably foresee any such change unless she sees some favorable progress with respect to her husband's parole.

Adm. Sec.

*Bishop indicated he
would drop her a
letter any way at
her home.
